ACCESSIBLE FOR ALL FITNESS LEVELS

The open step-through frame design makes it easy and convenient for any rider to access the seated position. Adjustable seat and handlebar positions, plus an ergonomic padded cycling saddle and cooling fan ensure a comfortable ride.

SMART FITNESS DESIGN

Place your phone or tablet on the built-in media holder to stream fitness classes without blocking key metrics like cadence, time and resistance, thanks to dual feedback displays.

EMBRACE YOUR WANDERLUST

Explore our Virtual Active program in the @Zone app to transport your workout to exotic locales all over the world. Shot on location by professional film crews, the HD footage speeds up or slows down to match your pace, and incline varies to match the terrain, making you feel like you're really there.
